

Maidenhead  
2 Sept. 1864

Dear Sir

I send you, by  
the same post that con-  
veys this note, the three  
first Nos (all yet out) of  
my second series of Tracts.

The cost of each is  
marked as usual, but  
they are paid for (at 8/6 over)  
by the P. O. Order for £1  
already sent

Yours very faithfully  
J. Paget Collier

Thos. W. H. Robinson Esq. T.O.

P. S. When the remaining  
P/L is spent, you can, at  
your pleasure, send me  
another order for the same  
amount. If you like to  
stop there, you can do so;  
only, you must be so good  
as to inform me before-  
hand. The very limited  
number I print makes  
this necessary. Perhaps you  
will bear this in mind.
